SCALE: 1/4" = 1'

The diagram shows a large rectangle divided into several horizontal sections by thick black lines. The top section is a single step. Below it is a larger section consisting of two steps. The bottom-most section is a single step. Inside the leftmost column of the first section, there is a label 'A' above a horizontal line, and below the line is another label 'B'. The right side of the diagram consists of a single, long vertical column.

FOUNDATION AND SLAB KEY PLAN
